

**Prof. Tatsunori MATSUMOTO**

Professor of College of Science and Engineering, School of Environmental Design, Kanazawa University

Professor of Graduate School of Science and Technology, Division Environmental Design, Kanazawa University

Invited Professor of L.N. Gumilyov Eurasian National University, Astana, Kazakhstan

Professor Tatsunori MATSUMOTO obtained his Bachelor of Engineering and Master of Science from Kanazawa University, Japan. He joined the Department of Civil Engineering of Kanazawa University in 1981 as research associate. He became an Associate Professor in 1991 and promoted to a Professor from August in 1999.

He retains an active involvement in research into pile dynamics and deformation of pile foundations including piled rafts subjected to load combinations. He is a member of the Japanese Geotechnical Society, the Japan Society of Civil Engineering, the Architectural Institute of Japan, and the International Society for Soil Mechanics and Geotechnical Engineering. He is a member of Editorial Committee of SEAGS/AGSSEA Journal.

He was the Chairman of IS-Kanazawa 2012: The 9<sup>th</sup> International Conference on Testing and Design Methods for Deep Foundations held in Kanazawa, Japan, from 18 to 20 September, 2012.

He has published more than 200 technical papers including more than 50 Journal papers.
